

# Learning English Strategy

Here is a partial list of the benefits and reasons for reading well.

- To increase your vocabulary.
- To get into the minds of the best thinkers, past and present.
- Because it's hard.
- Because it's fun.
- To understand the world better.
- To solve problems.
- For inspiration and hope.
- For company, to find your tribe, to connect with the best.
- For English proficiency tests.
- To provide credibility, proof, and certification.
- For job interviews.
- To have full access to industry publications.
- For training programs.
- For entertainment and the arts.
- For relaxation and meditation.
- To understand other people.
- To find yourself.
- To enhance language learning.
- For physical, mental, and emotional health.
- To improve focus, concentration, memory, and mental agility.
- For change and growth.
- For structure.
- To have the ability to make better decisions.
- To understand and possess rationality.
- To save time, yes, save time.
- To be more effective.
- To avoid errors.
- To not be prey to manipulation.
- To be interesting.
- To be able to speak with authority.
